ADDITIONAL INSURED PRIMARY AND NON-CONTRIBUTORY

With regard only to the liability coverage provided by this endorsement, "your" policy is amended as indicated.

SCHEDULE

Name of Person or Organization:
Covered Activity:

The required information may be shown in the Declarations.

1. The definition of "insured" is amended to include the following as an additional "insured" under this policy:
"Insured" includes the designated person or organization shown in the Schedule of this endorsement that "you" have agreed in a written contract or written agreement to add as an additional "insured" on this policy, but only with respect to liability for "bodily injury" or "property damage", caused, in whole or in part, by "your" covered acts or omissions or the covered acts or omissions of those acting on "your" behalf in connection with the covered activity described in the Schedule above. The written contract or written agreement must be executed prior to the "occurrence".
2. The following priority rules apply to the insurance coverage granted to the person or organization shown in the Schedule:
 - a. This insurance is primary and non-contributory if the written contract or written agreement between "you" and the person or organization described in this endorsement specifically requires that this insurance be provided on a primary and non-contributory basis.
 - b. Otherwise this insurance is excess over any other valid and collectible insurance whether such other insurance is stated to be primary, contributing, excess, contingent or otherwise, including any liability policy maintained by the additional "insured" where the additional "insured" is a named insured. This insurance is excess to any self-insured retention or liability deductible.

All other terms and conditions of this policy apply.
